

THE
COMMITTEE
ON TRAUMA

October 2, 2018

Dear Dr. Rufina Soomro,

On behalf of the Committee on Trauma and American College of Surgeons, please accept this letter of appreciation for your dedication as faculty to the Advanced Trauma Life Support® trauma education program over the last 10 years.

Trauma is a leading cause of death worldwide, and ATLS is a renowned trauma education program that has demonstrated its utility in teaching an evidence-based and multidisciplinary approach in the care for injured patients. ATLS was introduced to Pakistan in 2007 and continues to expand. The College of Physicians and Surgeons Pakistan has conducted over 185 courses since 2007. None of this would be possible without you.

We wish you continued success in your efforts with ATLS and hope to continue working with you in the future.

With many thanks for your support of the ATLS program.

Regards,

Eileen Bulger, MD, FACS
Chair, Committee on Trauma

Sharon M. Henry, MD, FACS
International Program Chair, ATLS
